Data Protection Notice

Under the SARS-CoV-2 infection protection regulation of the State of Berlin in the version of June 26, 2020, we are required to collect data regarding visitor contact information and the time of the visit. Your data is therefore collected on the basis of Art. 6 Paragraph 1 Clause 1 lit. c, para. 3 of the General Data Protection Regulation. This data is only used by the responsible health authorities for tracking contact persons if necessary. The data are to be kept by the Stiftung Planetarium Berlin for four weeks and are then destroyed.
